**Re: FOIA Request for TSCA Information; CASRN 8050-18-8**

Dear Sir or Madam:

Pursuant to the Freedom of Information Act (FOIA) (5 U.S.C. § 552), and EPA's freedom of information regulations, I am writing to request information regarding the chemical substance, *Rosin, decarboxylated*, with Chemical Abstracts Service Registry Number (CASRN) 8050-18-8. Specifically, please provide the Toxic Substances Control Act (TSCA) (15 U.S.C. § 2601 *et seq.*) Inventory Reporting forms (either "Form A's", "Form B's", "Form C's", "Form D's", PMNs, or any such forms) that were used to report this substance for the TSCA Chemical Substance Inventory ("TSCA Inventory"). Please note that we are requesting copies of the original TSCA Inventory form(s) reporting this substance, not, for example, a computer printout indicating receipt of reporting form(s). We are also not requesting any TSCA Inventory Update Rule or TSCA Chemical Data Reporting Rule forms submitted for this substance.

We agree to pay reasonable search and reproduction costs for this information, up to \$350. A quick response would be greatly appreciated. If you have any questions concerning this request, please do not hesitate to contact me at (202) 434-4132 or [pecht@khlaw.com](mailto:pecht@khlaw.com). Thank you in advance for your assistance.

Sincerely,

Alexa M. Pecht
